

TEXAS MUSIC Pickers Spotify Chart Mid-Year Report

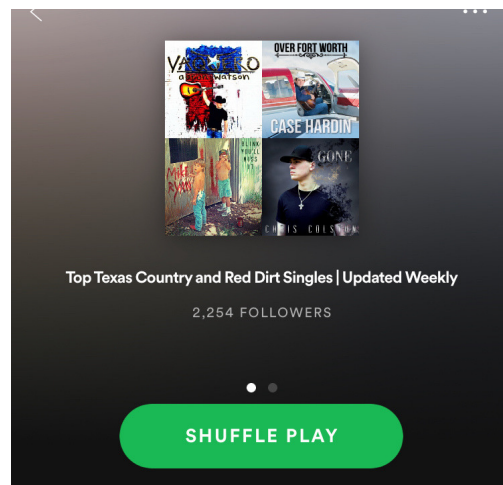

These are the 40 most streamed singles on Spotify so far this year.

The songs are ranked by their weekly stream average, which was calculated by taking the amount of total streams the song currently has, deducting the amount of total streams it had when entering our chart, and then dividing it by how many weeks it was, or has been, on our chart.

*Singles must have been on our chart for at least 30 days to be eligible

*This chart is composed of previously or actively promoted singles
